Northwest Public Schools

NWPS OER

In 2016 Northwest Public Schools was the first Nebraska District to commit to #GoOpen in one grade and subject area. NWPS has joined various states and school districts across the country committing to transitioning to the use of high-quality, openly-licensed educational resources in their schools. Openly-licensed educational resources are learning materials that can be used for teaching, learning, and assessment. They can be modified and redistributed without violating copyright laws. Openly-licensed educational resources have potential to increase equitable access to high-quality education opportunities in the United States.

#GoOpen District: Northwest

1. HS Health- Miscellaneous district curated/created resources along with CK-12, OER Commons (began fall 2016)
2. K-5 Math - Eureka Math
3. HS Music courses: Intro to Jazz and Blues, Music History, and Rock Band - District curated/created resources
4. 2018-2019: Personal Finance
